ADVAIRTEMENTS
Inserted in the Daily at 75 cents per square for the first and 50 cents can chalsequent insertion. Long advertisements by the week with the contract of the county of Richland," the County Commissioners of Richland, and County are authorized and empowered to be supported by the Washington streets, where control of the County of Richland, the County Commissioners of Richland, the County House of Richland, th

with an invitation to the Imperial table are both surprised and unsatisfied at its extreme simplicity.

"There's no use talking, I'm going to get married," said a bachelor acquaintance the other day, while busily engaged in sewing. "Here I worked just twenty minutes by the watch trying to get this needle threaded, and then just as I succeeded I pulled the thread out. Finally, I got it threaded again, and now, after sewing this button on good and strong, I find I've got it on the wrong side, and now I have my work all to do over again."

To the Citizens of Columbia.

A Ta meeting of Phenix Hook and Ladder Company, held at their Hall, ou MONDAY EYENING, April 29, 1872, it was resolved that a Committee be appointed to solicit subscriptions from the citizens of Columbia, for the purpose of purchasing a new Apparatus, as the one at present owned by the Company is almost entirely unfit for use. In making this appeal, the Company is well aware that the citizens have been called on lately for subscriptions to purchase the Steamers owned by the respective Companies in the city; but as the amount required to purchase a new Truck will be small in company rely on the well known generosity of the citizens of Columbia to aid in placing this branch of the Fire Department on a proper footing.
